These Prices Are Effective As of November 1, 2016 But Are Subject To Change Without Notice

The goods and services shown below are those we can provide. You may choose the items you desire. However, any cremation or funeral arrangements you select will include our basic services and overhead. If legal or other requirements mean you must buy any item you did not specifically ask for, we would explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Cremation Packages

Our **Cremation Package** plans include basic services of licensed professional and staff, transport of remains from place of death to the funeral home and use of refrigeration. In addition to the before mentioned items the Cremation Package also includes document procurement, cremation container, crematory fee and a temporary receptacle. If you want to arrange a simple cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The container we provide is a cardboard container, which is already included in our direct cremation charge. If the purchaser supplies their own container, subtract \$10 from prices below.

Simple Cremation Package
