What To Do If A Death Has Occurred

Since most deaths occur in health care institutions such as hospitals and nursing homes, the attending staff may provide you with some preliminary information. If the death occurs at home, please notify the physician or attending registered nurse (if the death was unexpected or if there are any peculiar circumstances, phone the Police immediately). If the deceased was under hospice care at home, they should have left some basic information for you to follow. No matter what circumstance, our brief checklist will help you along the way.

First Step: Initial Contact

- Contact Doctor, Nurse, Coroner or Police if necessary
- Contact our Funeral Home by phone at 1-844-552-6739 we are available 24 hours / day.
 - When you call, we will ask you these questions:
 - What is the full name of your loved one who died?
 - Where did your loved one die? And are they still at that location?
 - Who is the next of kin and what is their contact information?
 - What is your name and your contact information (if you are not the next of kin)?
 - Does your loved one have a pre-arranged funeral with our firm?

Second Step: Completing Funeral and / or Cremation Arrangements

- Set an appointment time with us for you to come to the funeral home (or we can meet you at your residence or other location if you desire) to complete the details of the arrangements.
- For the arrangement, we will ask you to have information and items that we need to complete the arrangements such as:
 - Vital Statistical information for your loved one including:
 - Date and place of birth (city and state)
 - o Parents names, including mother's maiden name
 - Marital status and spouse's full name

- desired) again, we will help you with the obituary and post it on our website, plus submit it to any appropriate newspapers (if desired)
- Determine the number of death certificate copies that you will need and we will order them for you
- Identify family / friends to serve as pallbearers people in poor health can be named honorary pallbearers

Third Step: After the Arrangements and Before the Service

- Prepare a list of family, friends and business colleagues to be notified we will provide you with an email to be sent to them with all of the service and obituary information
- Notify all organizations such as church, groups and associations we will provide you with an email for this purpose as well

- People will let you know "Please let us know if there is anything that we can do" so be prepared
 (and don't feel bad) to accept this generosity make a list of items and tasks such as meals (let
 them know if there are any special food allergies), household duties (including cleaning or
 mowing the lawn) and transportation (for out of town family or friends or even picking up kids
 from school) again don't feel bad accepting this help, your friends want to help but usually
 don't know what to offer
- Arrange for child care (if necessary) although we strongly suggest that all family members be present at the service
