**Together as a Family...**

A keepsake is a great way for each family member to keep their loved one close. Often, keepsakes are shared with all family members and close friends to remember their loved one and to celebrate their life.

*Limited Availability*  
*Due to the pandemic causing logistics and shipping disruptions, some products have limited availability and are marked accordingly in the catalog.*
After choosing cremation, a family has many decisions to make. There are many ceremonial options available: choose a cemetery for a permanent resting place or create a personal memorial for placement in the home or garden. Another option is a Natural Return by burying the cremains in a special place. All can be personalized in some way to share the loved one's passions with family and friends - telling and preserving their life story.

**Questions to consider in the process:** Will there be a traditional viewing or a simple family gathering? What will be your loved one's final resting place?

The next few pages will help in those decisions and show many of the options available.
**Keepsakes...**

A keepsake is a great way for each family member to keep their loved one close. Often keepsakes are shared with all family members and close friends to remember their loved one and to celebrate their life. Almost all full size urns have a beautiful and exquisite matching keepsake. For individuals that want a unique keepsake, Crescent offers a beautiful collection of Art Glass Keepsakes, Life Print Memorial Keepsakes, Picture Frames, Pendants and more. Many of the keepsakes will hold cremated remains, a lock of hair, or dried ceremonial flowers.

**Vaults...**

Monuments and urn vaults are other considerations for families that choose to bury the cremated remains. Urn vaults are an excellent way to protect your cherished loved one’s urn when buried underground, and are required by most cemeteries.

**Marker or Tile...**

Many families choose to honor their loved one with Crescent Life Portrait Porcelain Tiles and custom grave markers. These are a beautiful and long lasting way to memorialize a loved one. With markers made from solid granite, and kiln fired porcelain tiles, your loved one will be forever remembered with these timeless materials.
Personalization...
There are an unlimited number of ways to honor your loved one.

**Photo Engraved**
By using a photograph of your loved one and modern technology, Crescent can customize many of the urns offered with an image of your loved one, creating a truly unique memorial.

**Custom Engraved**
You may choose to customize your loved one’s memorial with their name, birth date, death date, or any other custom text or image you desire. The custom combinations are limitless with Crescent engravings found on pages 98-99.

**Photo Painted**
The beautiful photo painted process adds full-color to your urn. Crescent simply takes a photograph of your loved one and combines it with one of our full-colored backgrounds. Although durable and lasting, photo painted urns are designed for an interior placement.
Our Wood Collection features all natural materials showcasing the richness of wood, perfect for any home. Shown above is The Marquis.

30-R-1007 $710
This new urn from The Everafter Collection, is truly a work of art! It holds approximately 410 cubic inches of cremated remains and comes with a removable interior divider. It loads from the bottom and is only 9 7/8’’ high and 9 7/8’’ wide by 7’’ in depth, allowing it to easily fit into any Cemetery Niche. The upper corners of this urn can be engraved with your beloved partner’s information. As an option to engraving on the urn, we have created a 5’’ x 2’’ curved stone plaque that can be engraved any time in the future and simply glued directly over the center framed area of the urn. This avoids having to re-ship the urn back and forth, for any future engraving requirements.

The leather-like design wraps around the entire urn, helping create the appearance of holding two vessels together. It comes standard with the engraving ‘Together Forever’ and is beautifully embellished with two hearts, representing two unique and loving partners. Across the center of the top is another beautiful carved scroll design that compliments the carvings on the front. A truly remarkable companion urn, sure to touch the hearts of all who see it...

Many families are choosing keepsakes for family members and dear friends as a way to celebrate a beautiful life well lived and to always keep their loved one close. Many urns have their own keepsake (shown throughout) and there are many other beautiful options.
Art Glass with Cremains

Made with care in Crescent's own custom built glass studio.
The process combines cremains with the art of glassmaking to create a work of art that is as one-of-a-kind as the loved one it memorializes. Each unique Art Glass design is a stunning work and an exquisite way to memorialize your loved one in the home. Also, many families choose pendants for each family member. Each breathtaking piece offers a special remembrance of a cherished life, reflected through form, color, and light. In the midst of the beautiful, artistic colors, the cremains look similar to white sea foam with swirling bubbles. Each piece of art glass is a one of a kind memorial. No two pieces look the same.

Jewelry Collection

Life Prints are family heirlooms that offer a physical touch to a loved one's life. They are created from two-dimensional ink prints that are then replicated onto metal. Each piece is unique and allows for a lasting connection to the ones we love.

Many families choose Life Prints or a jewelry piece from our other beautiful collections for the entire family and close friends.
Life Print Keepsakes are created by using a combination of traditional jewelry techniques, modern technology and your loved one’s fingerprint. Offering a physical touch to a loved one’s life, they are created from two-dimensional ink prints that are then replicated onto .925 sterling silver, 14k rose gold, 14k yellow gold, or 14k white gold. All of the designs can be custom engraved on the back. The Life Print Keepsakes produce a high quality family heirloom that will memorialize your loved one. Many families choose to have Life Prints made for the entire family and close friends. The various and unique custom combinations allow for a beautiful, personal, and lasting connection to the ones we love.

For those with sensitive skin, we offer an optional c-coating process (32-404) that coats sterling silver with a hypo-allergenic finish.
